

Cornice Nr. 101 “Middlesex”

This cornice design is our earliest enriched pattern, it predates all the many others.

The word “enriched” describes the leaf pattern toward the centre of the pattern.

Quite a small cornice (refer to dimensions below), this is very suitable for rooms with low ceilings, for instance modern homes.

“Middlesex” cornice is known to be a fairly easy cornice to install.. This fact may be Useful should you be considering diy fixing, in which case our “diy” page could usefully Be referred to.

Please see also page tow of this document, a full size hand drawn sketch.
